Report of Operative C. Morgan.

New Brunswick, N.J.  
Oct. 22nd, 1926.

Re: Hall residence.

At 11:30 P.M. operative arrived in the vicinity of Edwin Carpender's home and took up watch. Noticed runabout car No. 8831 N.J. in front of Mr. Tumulty's house on Suyden Street.

While standing in front the house on Nichols Street, Mr. Nelson came out of Mrs. Hall's house and advised me that there would be no need for operative remaining around there and then gave operative key to Mr. Watson's office and instructed me to go there and cover same, as all the papers of the case were in that office.

Operative then proceeded to Mr. Watson's office and remained there until 7 AM. and then discontinued.

Respectfully submitted:
